10. START

- 10.1.** The start will be given according to Rule 26 of the Racing Rules of Sailing of WS 2017-2020 as follows
- For PERFORMANCE & IRC classes the warning signal will be the numeral signal "2" of the RRS.
 - For SPORT & Non Spinnaker class the warning signal will be the numeral signal «1» of the RRS
- 10.2.** The warning signal will be given 5 minutes before the start
- 10.3.** A yacht cannot start later than 9 minutes after the start signal (Modification of the RRS rule A4)
- 10.4.** The Race Committee may, at its discretion, extend the 9-minute limit.
- 10.5.** The start timings must be taken from the visual signs. The failure of a sound signal must be ignored.
- 10.6.** The Race Committee, at its discretion, may give the start for two or more classes of yachts together, showing at the same time the distinctive signs of the classes in the warning signal
- 10.7.** The starting lines may be moved to a point other than originally designated in case of low wind or force majeure. In this case, the RC will mount the "L" sign on the board up to the new starting point

11. STARTING AND FINISHING LINES

Indicative layouts of the start and finishing lines are shown on the attached appendices 1 to 4.

11.1. STARTING LINES

11.1.1. Starting at FLEVES (App. 1)

The starting line at Fleves will be the invisible line between the orange flag with the letters "RC" on the signals' mast of the Race Committee boat on the right end and the deployed buoy with a pole and an orange flag on the left end.

11.1.2. Starting at SYROS (FINIKAS) (App. 2)

The start will be given in the sea close to PSATHONISI island.

The starting line will be the invisible line between the orange flag with the letters "RC" on the signals' mast of the Race Committee boat on the right end and the deployed yellow buoy in pyramide shape with a pole and an orange flag on the left end.

The start signals will be given by the Committee's boat.

The Race Committee boat is allowed to maintain its position using the engine if needed.

11.1.3. Start at Milos Inshore Races (App. 3)

The start will be given within the Adamandas Gulf.

The starting line will be the invisible line between the orange flag with the letters "RC" on the signals' mast of the Race Committee boat on the right end and the deployed buoy or inflated boat with pole and an orange flag on the left end.

Start signals will be given by the Committee's boat.

The Race Committee boat is allowed to maintain its position using the engine if needed.

27th INTERNATIONAL SAILING RACE "CYCLADES 2021 Cyclades Regatta"

26/06/2021 - 03/07/2021

11.1.4. Starting at MILOS (App. 3)

The start will be given near cape Bombarda

The starting line will be the invisible line between the orange flag with the letters "RC" on the signals' mast of the Race Committee boat on the right end and the deployed buoy or inflated boat with pole and an orange flag on the left end.

Start signals will be given by the Committee's boat.

The Race Committee boat is allowed to maintain its position using the engine if needed.

11.1.5. Starting at SIFNOS

The start at Sifnos island will be given in Kamares Gulf

The starting line will be the invisible line between the orange flag with the letters "RC" on the signals' mast of the Race Committee boat on the right end and the deployed buoy with pole and an orange flag on the left end

Start signals will be given by the Committee's boat

11.1.6 Report of yachts participation before each start.

Any yacht intending to start, is required to pass in front of the Race Committee at least up to one minute before the Warning signal and **declare its bow number (optionally its sailing number)** so that it can be recorded by the Secretariat of the Race Committee.

Yachts that did not get to the start line on time for any reason and did not make use of the start capacity as described in Article 10 must notify the Race Committee of their intention to start after the start signal via VHF. The same applies for those yachts that were not able to be registered before the Warning Signal.

The Race Committee can classify as DNC all boats that did not report their presence at the starting line.

11.2. FINISHING LINES

11.2.1. Finishing at SYROS (FINIKAS) (App. 1)

The finish line at Syros island is defined on the **right** by a blue flag on a pole near the green light of Navy Base and on the **left** side a deployed pyramide yellow buoy with a blue flag on a pole on the buoy. If the buoy is lost, the finish line will be marked by an invisible straight line at a bearing of about 320 degrees.

The team of the Race Committee which will signal the finish of the race will be on the pier of the Navy Base. If this is not possible the team will be on a boat with a blue flag on it.

BEWARE : IN THE GULF OF FINIKAS THE PRIORITY ALWAYS BELONGS TO THE BOATS OF THE HELLENIC NAVY

11.2.2. Finishing at MILOS (ADAMANDAS) (App. 2)

The finish line at Milos is defined on the **left** by a blue flag on a mast, close to the first red light of the Adamas pier and on the **right** of a deployed buoy with a pole and an orange flag. If the buoy is lost, the finish of the race will be marked by an invisible straight line at a bearing of about 150 degrees.

The team of the Race Committee which will signal the finishing of the boats will be located at the pier close to the red light.

It is possible that a buoy will be deployed close to the pier, to define shallow waters. Boats are obliged to leave it on their left.

The team of the Race Committee which will signal the finishing of the yachts will be located at the pier.

27th INTERNATIONAL SAILING RACE "CYCLADES 2021 Cyclades Regatta"

26/06/2021 - 03/07/2021

11.2.3. Finishing at Inshore Races

ROUTE No 3 : The finish line is defined on the right by a blue flag on a pole on an RC boat and on the left a deployed buoy with a pole and blue flag on it

ROUTE No 4 : The finish line will be as described in 11.2.2.

11.2.4. Finishing at SIFNOS (App. 3)

The finish line at Sifnos is defined on the right by a blue flag on the pier of Kamares harbor and on the **left** by a blue flag on a pole on a deployed buoy. If the buoy is lost, the finish line will be the invisible straight line at a bearing of 325 degrees.

The team of the Race Committee which will signal the finishing of the yachts will be located at the pier.

11.2.4. Finishing at PATROKLOS (App. 4)

The finish line at Patroklos is defined on the **left** by the beacon on the land on the inside area of the narrow sea passage of Patroklos, and on the **right** by a blue flag on a pole on the race committee yacht. The Race Committee will try to put a blue flag on the beacon at land. If this is not possible the finish line will be as described above.

The team of the Race Committee which will signal the finishing of the yachts will be located on the yacht.

11.2.5 An attempt will be made to place a flashing red light (strobe light) overnight, on the deployed buoys that are the end of the finish lines in case the inflated buoy is lost, the Race Committee will try to replace it with a new one. If this is not feasible, the above bearing will be used.

Malfunctioning of the flashing lights or the absence of them at the finishing spots does not entitle competitors to request for redress.

11.2.6 Finishing Boats

Each finishing boat will be marked by the finishing line team of the Race Committee with a sound signal.

The finishing boats must report their bow or sail number and the name of the boat to the Committee upon finishing. It is to the responsibility of each yacht to be assured by the Racing Committee that its finishing was recorded.

12. INDIVIDUAL RECALL

12.1. Individual recall will be given in accordance with rule 29.1 of the International Sailing Regulations of WS 2021-2024

12.2. If possible, the Race Committee will try to namely notify via VHF the pre-started yachts. No notification or delay of notice, does not entitle the competitors to claim redress. This amends the RRS rule 62.1 (a).

13. GENERAL RECALL

13.1. A general recall will be given in accordance with rule 29.2 of the International Sailing Regulations of WS 2021-2024

13.2. When a General Recall has been given, the start of the next class will be postponed accordingly

27th INTERNATIONAL SAILING RACE "CYCLADES 2021 Cyclades Regatta"

26/06/2021 - 03/07/2021

14. TIMINGS

All timings for the 25th International Sailing Race "27th CYCLADES 2021 Cyclades Regatta" refer to Athens Observatory Time (Tel 14844)

15. WEATHER FORECAST

The weather forecast report will not be given to the participants by the Race Committee.

16. TIME LIMITS

- 16.1. For **PERFORMANCE** class, the finishing time limit is calculated by the General Purpose Handicap (G.P.H.) multiplied by the number of miles of each race (Article 6) multiplied by the factor 2.2.
- 16.2. For **IRC** class the finish time limit is (B.S.F.) multiplied by the number of miles per race (Article 6) multiplied by the factor of 2.2
- 16.3. For **SPORT** and **Non Spinnaker** classes the finishing time limit is General Purpose Handicap (G.P.H.) multiplied by the number of miles per race (Article 6) multiplied by the factor 2.2
- 16.4. The time limits (racing duration) of each yacht are listed on the race cards

17. TIME CORRECTION SYSTEM

17.1. Class PERFORMANCE

For PERFORMANCE class the "**Performance Curve Scoring – Constructed Course**" will be used. In this case in the calculation of the corrected time the Implied Wind of the first yacht will be used. In case the Race Committee deems it to be unsafe - due to race conditions or not suitable weather conditions – to issue the results with this system, the system that will be used is *Time on Time Coastal / Long Distance*.

The Race Committee's data on route length, wind speed and direction or numerical type selection of the alternative scoring system cannot be an excuse for redress.

17.2. Class IRC

For IRC class the Time on Time system will apply.

17.3. Classes SPORT and Non Spinnaker

For SPORT and Non Spinnaker classes the system "**Time on Time Coastal/Long Distance**" will be applied.

The actual length of each race will be used in order to issue the results

18. SCORING SYSTEM

- 18.1. The Low Point Scoring System of RRS. Appendix A4. of the International Race Rules of WS 2021-2024 shall apply.
- 18.2. The winners of the Regatta will designated by the sum of their points on all races
- 18.3. The weighting ratio for all races is 1.00.
- 18.4. No course is excluded.
- 18.5. Any score tie between yachts will be resolved according to the rule A8.2 of RRS
- 18.6. At least one course must be completed so that the 27th International Sailing Race CYCLADES 2021 Cyclades Regatta is considered valid
- 18.7. The scoring of the divisions will be extracted separately of the overall ranking. .
